

Ashmont Public School

# Bulletin

To Dream. To Inspire.

To Succeed.

Yindyamarra

Term 3, Week 5-6

## A Message from our Principal

### New Digital Display.

Our new digital sign is up and running on the front of the administration block. Look up as you come into the school for reminders of up and coming events.

### Learning Journey

This week your child will be bringing home an invitation to be a guest for our Learning Journey in Week 9. This is one of the biggest opportunities for the students to showcase their learning, work samples and performances. The students lead their guest or guests through their learning samples and books, explaining what the learning intention was, what they learnt and why they chose the particular pieces to show. Your child will then take you to morning tea where we encourage you to participate in the *Parent Tell Them From Me Survey*. Please RSVP to your child's invitation and make this a most memorable event for everyone involved.

### Student Illness

Although regular attendance at school is extremely important for your child, if your child is unwell they do need to be kept at home to prevent the spreading of infectious illnesses. Some students have been diagnosed with influenza. It is important that medical attention be sought to treat the flu and it is always a good habit to obtain a medical certificate when visiting the doctor and to provide this to the school when they are well enough to return.

### SASS Appreciation Week

This week we say thank you to all the wonderful non-teaching staff who work with us to support our students. From the lovely ladies in the office, the first faces you see when you arrive at the school, the Learning Support Officers in the classrooms and the groundsman, we really appreciate what you do for our students at Ashmont Public School.

### Kindergarten 2020 Orientation

An informal meeting of parents with children enrolling at Ashmont Public School in Kindergarten in 2020 will take place in the Ashmont staff room on 10<sup>th</sup> September starting at 9:30am. The session will talk about our Kinderstart program for Term 4 and parents will have the opportunity to meet with our Kinderstart teacher, have a walk around the school and find out about the many programs we have in place. Morning tea will be provided and our 2020 Kinder children can join in with activities in the Kinder rooms. Looking forward to seeing you on the day.

### Aboriginal Education Officer

The school is currently advertising for the position of Aboriginal Education Officer. The position involves supporting our students both in class and on the playground, taking a leading role in our students' cultural education and being a strong link to community. Applications are on line at *I Work for NSW* and close 4:00 pm, 4th September.

sent home this week with each  
child. Register your child, start  
raising money and have fun  
skipping!

**Girls Rugby League Competition**

Joet Collier, Bailey Atkins, Shakiylah-Jayne Mathers, , Neisha Buswell, Hailie Tyrrell, Montana Moran, Mia Reid, Jakiah-Lee Gordon, Kahlani Goolagong and Macey Clark represented Ashmont Public at the Stage 3 Rugby League Girls competition at the Equex Centre.

**Science Week- 3/4 Magenta**

Stage 2 attended a Science day at the Tolland Community Centre in which we were able to create slime, dry ice and learn how to use microscopes. 3/4 Magenta learnt that the Bogong Moth population is not polluted with arsenic and that we can make Bogong Moth damper. We created our very own Bogong Moths from leaves, sticks and twine.

**Years 5 & 6**

Stage 3 have been investigating the properties of solids, liquids and gases and how they can change. Students conducted several experiments and observed the chemical changes that took place. As you can see, the results were fantastic and our mini scientists thoroughly enjoyed themselves.

**TURVEY PARK SOFTBALL CLUB**
